

## **Jessie**

### ***Spirit Guide Artist-Clairvoyant-Intuitive***

**Jessie** is a third generation **Clairvoyant-Intuitive**. She is noted for her visionary ability to access the **Akashic Records**, bringing forth the highest truths and spiritual principals, presenting them in a concise, straightforward, applicable manner. You'll discover how your soul is calling you and you can best reply, in order to enjoy a rewarding future.

Along with a colored drawing ( 9 X 12) of your **Spirit Guide**, the following are some messages that come through from spirit;

- \*your spiritual gifts interpreted through color**
- \*confirmation and communication.**
- \*the year the guide came to you.**
- \*the guides name and origin.**
- \*introduction to your power animals**
- \*natural gem for heightened energy.**
