

*Jessie -- Spirit Guide Artist*  
*Clairvoyant-Clairsentience-*  
*30 years experience.*

Jessie is a third generation Clairvoyant. Along with a reading you will receive a colored picture of your Spirit Guide.

Jessie connects to your energy by holding your hands. Working through her Guides, she begins to see symbols, and messages while drawing. She will give you confirmation, and messages from Spirit.

Guides are teachers and assist us on our Spiritual Journey. The following are some examples of communication coming from Spirit- (Spirit Guide).

1. Your Spiritual Gifts (interpreted through color).
2. The year that Guide came to you.
3. The guides name and origin.
4. Introduction to your Animal Totems.
5. Your personal gem, to use for Spiritual connection.
